

Simply Swing

The UK's premier swing band, Simply Swing is a fabulous and superbly presented band who specialises in the finest in classic jazz, sophisticated swing and spicy Latin music.

Simply Swing has played for clients throughout the UK and in Europe and is the perfect choice for wedding receptions, corporate functions and parties. So whether you're looking for music for a small, intimate cocktail party or a huge corporate event, let Simply Swing be the power behind your function's success and sit back and relax knowing that your entertainment is in the hands of the professionals.

You will hear a selection of songs evoking nostalgic glimpses of a more glamorous past from the repertoire of the classic American songbook made popular by Frank Sinatra and The Rat Pack, Ella Fitzgerald, Nat 'King' Cole, Fred Astaire, Nina Simone and more recently Michael Bublé, Norah Jones and Jamie Cullum - a genre of music that is timeless and everlasting; cool and current.

The members of this London-based band comprise the country's most renowned musicians whose touring and studio credits include: Shirley Bassey, Kylie Minogue, Chaka Khan, Elaine Paige, George Benson, Incognito, Neil Sedaka, Michael Ball, The London Symphony Orchestra & BBC Radio Big Band.

Simply Swing's line-up ranges from an intimate Trio ensemble of keyboard, double bass and drums, up to a 6-piece band with additional vocals, saxophone and guitar. In their fuller format, the ensemble can adjust their pace and prominence to suit the mood of your event. The reduced line-up is ideal for subtle and atmospheric background jazz.

As well as providing CD's to play between sets, Simply Swing also offers an Auto DJ Disco service whereby after the live sets of music end we "put the records on for you" to keep the party going.
