"Hello boys!!

Just wanted to say a HUGE thanks for Saturday night. You were all totally amazing and made the night complete. You are going to be the talking point of the night for years to come.

I hope to see you all again soon, everyone is a bit sick of hearing me rave about you now I think!

And seriously, I have a sheet full of girls names who are desperate to meet you (a few boys as well actually!!) and I may pass them onto you for a small fee!!

Anyway, take care and thanks again for making the night!!

Lots of Love

"HI Guys

Just wanted to thank you for a great show at Christian and Kim's wedding on Friday. Really amazing performance all round, great adaptation on all the songs and you genuinely seemed to be enjoying yourselves all night.

If you get your own stuff together, I'd be interested to hear it.

"I would like to thank you for making our wedding a night to remember, all anyone was talking about was the band and even now you still get mentioned. Me and the groom play in a play in a local band so appreciate good musicianship and we both thought you were the tightest band we have ever seen.

Thanks again and all the best"

"Hi Hussy, saw you at Charlies bar in September '02. We thought you were great and made our holiday, just the sort of music we like; brilliantly played. Same again in September '03 and two of us were lucky enough to play with you on stage; Graham (bass on sweet home alabama) and Martin (drums on Run To You). Missed you not being at Charlies in '04 although we saw Jack and his dad playing their. We really need to catch up with you all again soon.

This band is the Business!!!  
Please play some gigs in the Midlands!!!"

"Hi, Saw Jack in Charlies bar in Lanzarote a couple of weeks ago and thought I would email with feedback. I had such a great time - Jack you are an absolutely amazing Guitarist and Vocalist. We saw you a few times through the week and on your last night (wed 22/9) & each performance was outstanding! Please let us know where you be playing in the future (you're that good we're willing to travel), as we would like to see the whole band together. Hopefully you will be back in Lanzarote next year too - because we will be so hope to see/hear you there!"
