"Thank you for creating such a party atmosphere. Everyone was on the dance floor from the first song and pretty much stayed there".

"Well what can we say? Thank you so much for the most amazing wedding reception. The guests are still raving about 'That Great Band'. The dance floor was never empty".

"The professionalism of the whole band is the best I've seen, particularly the way in which the disco and band produce the seamless changeovers which of course keeps everyone on the dance floor. Thanks for helping to make their wedding the most memorable day of Nicky and Dave's life".
