The Music

Grooveology understand that each and every event is unique, from Awards Ceremonies, Weddings, Product Launches to Birthday Parties, Anniversary Parties, University Events and specialist events. To cater for these types of events Grooveology offer a variety of quality hits that are carefully tailored for an exciting evening's entertainment. These sets include songs from the 1960's right up to the modern grooves of the new millennium, with all the classics in between.

Grooveology cater for up to 2.5 hours of live music, but the set lengths differ depending on the needs of the client. CD's can be provided between sets to keep the party going and people on their feet. These CD's include all the current hits from this weeks top ten right back to the Beatles and all of the disco classics. The CD's are mixed live by the band members using professional DJ equipment and the selection is updated regularly to keep up to date with new music.

You can expect top quality sound, lighting and performance, the ingredients for a spectacular live show.

Grooveology come fully self contained with a state of the art 3kw PA system and a lighting set up that includes sound to light responsive coverage of both the stage and dance floor area. The PA system is capable of providing excellent quality sound for the fully live band in venues that hold up to a capacity of 500, after which Grooveology has the ability to expand the sound system to fit any venue.

Grooveology specialise in the classic dance floor songs of the '70s. Our set list reflects our dedication to the grooves guaranteed to get your feet moving.

We do not play the 'here today, gone tomorrow' pop songs of the current charts but we do occasionally add a modern classic to our repertoire.

If you enjoy quality funk/soul and want your party guests to dance all night then Grooveology are your masters of the groove.
