

# Higher Ground

Higher Ground! are a 5 piece band made up of vocals (1female, 3 Male Backing/lead vocals), drums, bass guitar, keyboards, and guitar. They perform live at summer balls, corporate events, award ceremonies, private functions, weddings, and cater for any kind of event where LIVE MUSIC is required. If your event requires a larger band, such as a brass section, they are able to add to this line up, or reduce it to a 3 or 4 piece. We FURNISH your every need.

#### **PREVIOUS EXPERIENCE**

Every band member has gained their experience playing in professional bands abroad and in the UK. Separately, they have performed for Royalty, on television/radio and at festivals, not to mention numerous corporate and private functions at distinguished venues such as Grosvenor House (The Great Room), The Dorchester, Blenheim Palace and London Docklands Arena. Together, they have played an extensive variety of events. All to critical acclaim

#### **THE KIND OF MUSIC ON OFFER**

Higher Ground! Their repertoire consists of a diverse range of covers, covering anything from Dusty Springfield to Earth Wind and Fire, to Abba, Chuka Khan to Stevie Wonder, Nora Jones to Anastasia. You can select from a variety of styles of music such as the swinging 60's, Latin, Jazz, 70's Disco, Soul, Motown, 80's Pop or more recent dance floor hits.

#### **APPEARANCE ON THE NIGHT**

Higher Ground! will always dress to suit the occasion, they take pride in how they look on and off stage. The band are happy to provide extravagant clothing to suit your every need or Higher Ground! can perform in black tie for your more formal corporate events.

#### **SMOOTH RUNNING**

If you require a first dance for a wedding Higher Ground! are happy to accommodate. They also understand how IMPORTANT it is for the audience before the band takes to the stage. So for this reason, Higher Ground! will provide background music before the show and during the breaks. Or, if you prefer keeping your guests on the dance floor, party music will be supplied.

## LIGHTING AND SOUND

Rest assured your evening will be a total success. Higher Ground! is an experienced professional band and will take care of both lighting and sound. The BAND can also work along side an experienced DJ and together they perform with high quality lighting and PA system so there's no need for you to hire one out.

"Just a quick note to say how pleased and impressed we were with the band. They were absolutely great and really helped make the evening. Every comment we have had has been glowing and of course a lot of dancing was done (some of it better than others!)"

A big thank you to Heidi and the guys for their efforts and thank you too for smoothly dealing with everything before the day."

"Carol and I just wanted to say thank you so much for your magnificent performance at our wedding on 27th August. We loved your rendition of Three Times A Lady for our first dance, and the rest of the set was perfect for the occasion. Lots of our guests commented on how great you were, and Luka (our page boy) is still talking about his dance with you!"
