"We wanted to say a very big thank you for playing at our wedding at the Wessex Hotel on the 29th January 2005. I must admit, we were a little apprehensive because we hadn't heard you play live - but we were bowled over by the band's performance and every one of our guests commented on how great you were. Thank you for your patience with my lists of endless questions and if you ever need a recommendation, please don't hesitate to ask."
