As a partner of musicians it is our desire to ensure that you have the best day possible so we aim to please by being flexible and versatile. We will offer you a service, which includes live performances by the Divine-Romantic along with duets involving another female voice or a band comprised of up to three singers, Pianist, Guitarist and Drummer, whichever suits you best for your day or evening.

As unique and special as your love - commission a beautiful piece of music, custom composed for your wedding or special occasion by a professional songwriter.

For your Anniversary, Engagement Wedding day and evening reception, or for simply Re-committing your love to each other. Your song is live and entirely original after an interview with you, performed by a top quality singer and Trumpeter and the recording is yours for a lifetime. Or simply choose from the best in Gospel, R'n'B, Soul, Jazz and Ballad.

The music can be truly custom composed tailor-made to your specific design and can even be played at the arrival of the bride or while exchanging those romantic glances at the reception table.
