"They were absolutely fantastic! I appreciate that we're probably a small event for them and I am sorry that I did not get a chance to thank them and say goodbye. Please pass on mine and my husband's sincerest thanks. Everyone thought they were brilliant and they really made the evening for us (and will be a wonderful memory of our wedding day). Just the kind of atmosphere that we wanted to create."

"Thank you very much to all 8 of the 007teez for your support for our 10th Anniversary event at Wentworth Golf Club. It was a huge success throughout, not least due to the professionalism, talent and humour displayed by the band. It will not have escaped your attention that whenever you played the dancefloor was packed!"

Joelle Watkins, Marketing Manager, British Mediterranean Airways

"I'd just like to say thank-you for an absolutely brilliant performance Friday night. I'll be recommending you guys to all my mates, and I'd definitely like to hire you for my 30th (thankfully that's not until next year!)."

Julie Lemmon, Assistant Manager, Technical Services and Operations, Daiwa Securities Trust and Banking (Europe) plc

"Andy, I am writing to thank you very, very much for being so absolutely incredible at the wedding. Every single person that I have spoken to has commented on how wonderful you were and I cannot thank you enough. It was the perfect end to a perfect day! If anyone asks me for a good band for their wedding I will give them your number!"
