"Thankyou ,for a fantastic night. What a party! Non-stop dancing showed that you got every choice of song spot on. Our guests thought you were brilliant and we had many appreciative comments about 'our' band. The whole night couldn't have gone better and after months of planning, it went like a dream. I loved my three minutes of being a rock star and Julie enjoyed her spot with you also, so thank you for being generous to let us share your stage with you."

"I can honestly say what a great bunch you are. Everybody commented on your performance and loved the 70's music you provided. The Glamed definately rock!"

"Thanks for giving us a superb night at the Plough and Harrow, Birmingham. Everyone from www.airattack.co.uk thought you were excellent and worth every penny."

"I saw you at the Blackwood Balloon Festival the other week, and I have to say the sound you lot kicked out was as big as your hair. It's great to see a band playing songs which sound just like the record, with the proper gear and no poxy backing tapes! Rock on!"

"What a fantastic night you put on for us last night boys. Our guests loved you (nearly as much as we do) and the non-stop dancing, from the first tune to the last, showed that your choice of songs was spot on. What a brilliant, glamtastic party we had. We're still buzzing the next morning. Thank you boys - you are the business."

"Since the party everyone has said the group was great. Thanks for making my party into a night to remember, you were all brilliant."

"When you book an act for a function, one always worries if they are going to be suitable. Well none of us could fault you. Your enthusiasm and attention to detail really shone through."

"What a fantastic time we had last night, you guys were great as usual, Spangle does a brilliant Marc Bolan...what a voice."
