

Phil Jeans

Introducing Phil Jeanes. Based in the Midlands, ideally placed for travel throughout the UK, Phil is at the forefront of corporate DJ's.

Offering a superb road show that can be tailored to provide each client with a unique entertainment experience, ranging from special family occasions such as a coming of age or weddings, to the more specialized company days and corporate entertainment or road shows for shopping centres and outdoor venues.

There are also those special touches – have the "Phantom of the Opera" visit your wedding, amidst the special lighting effects and appear as the dancing starts, returning to claim the bride for a dance- or maybe James Bond with or without additional "Bond characters" stage a dramatic entrance. These are just a couple of ideas to catch the imagination.

You may have an idea but be unsure of how to best present it, and this is where Phil's vast experience will come to the forefront, giving animation to your imagination.

Phil carries out many prestigious engagements during the course of the year. He is the recommended DJ for all weddings at Tutbury Castle in Derbyshire as featured on British television, and host for Mother's Day, Father's Day, Valentines, and Christmas season in Aston Villa's Holte suite, comprising both daytime and evening functions for up to 800 guests. In addition to which he comes highly recommended for society weddings.
