

# **Russ Styler**

A magician of over 12 years professional experience who continues to amaze, amuse and mystify his audiences in both close-up and cabaret throughout the uk.

If you have ever seen close-up magic performed by someone who knows their business as Russ does, then you will know what an indelible impression it leaves with you.

Russ Styler's experience in the art of close-up magic is extensive. During his 12 years as a full time professional he has worked at countless top hotels and venues for some of the best known companies and organisations in the world.

That's why when you hire Russ for your event, you know you're in safe magical hands!

#### So what can you expect to see?

Well most of what you will see will defy both logic and explanation.

You will see magic performed with cards, coins, rope, keys, bank notes plus the occasional specially designed prop for good measure! All performed in good taste and a good humoured manner that makes Russ popular with those who are there to have fun and enjoy the magic!!

#### Providing Quality Magical Entertainment for:

Corporate events, dinners, promotions, product launches, open-days, student balls, weddings and other special events & occasions
