Certificate of Electrical Appliance Testing

This certificate verifies that the electrical equipment used by

**THE CEILIDH BAND
BARN DANCE BAND
HOEDOWN BAND
NEW COUNTRY BAND
COUNTRY DANCE BAND**

(as per the appliance register) have been inspected
and tested for electrical as is required by the
Electricity at Work Legislation (1989).

Test results for individual appliances are available on request.

Testing of the individual appliances was carried out during the course of 2013 by safety by competent personnel on the premises of POKE Limited according to the SPECIFICATION FOR THE TESTING OF PORTABLE APPLIANCES (copy available on request).

The equipment is due to be re-tested by December 2015.
